## **TAKING YOUR** *Next Steps*

The journey of faith is about taking next steps toward Christ. These are the most important ones you can take. The **bold** ones refer to ministries/events that Brenneman offers.

- Join a **Sunday School class**. They are great for discovering more about what the Bible says and how to live out your faith.
- Begin practicing spiritual disciplines. By this phrase, we mean prayer, Bible reading, and silence and solitude.
- Read what the Bible says about who you are in Christ. Begin comparing it with how you have understood your identity. You can find specific verses on our website.
- Learn how God works in our lives, how he changes people to become more like Christ. The books above cover this in some detail. Talk with someone who has been a Christian for a while about their experiences.
