

*My Story of Faith*

As you think about becoming a member at Brenneman, one of the things we ask is that you share your testimony of faith in Christ. Answer the questions below first, then combine your answers to share it like you would a story. Bring this with you to the membership class.

What was your life like before you were a follower of Jesus? Make it personal. Speak about what Jesus has saved you from (specific sins, idolatry, living for yourself, running from God, etc.).

---

---

---

When and how did you come to faith in Jesus Christ? Who was with you? Where were you?

---

---

---

---

---

Were there special circumstances at the time of your repentance and conversion? Things like a medical condition, family crisis, difficult time with friends, something God showed you in the Bible, etc.?

---

---

---

---

---

Tell, in your own words, that you have committed your life to Jesus Christ.

---

---

---

---

---

Write down the names of those who helped you begin a relationship with Christ and who have encouraged you in your faith (friends, parents, pastor, small group leader).
