

# **Brenneman Church Sunday School Classes**

May-August 2018

## ***Answers in Genesis: Jamie Miller // CC 105***

This class will continue its study of Scripture using Answers in Genesis curriculum, with a focus on knowing what the Bible says in a world that has an alternative view of truth.

## ***Family Foundations: Justin Graber, Kevin Strite, Doyle Yeager // Choir Room***

This class intentionally chooses short-term studies so those who volunteer on Sundays have freedom to come in and out. It is mainly made up of people who have children or teens at home, with a balance between teaching and conversation.

## ***Next Gen: Brandon Kercher // Church Library***

This group is made up of young adults from post-HS through 20's. They focus on discussing the morning's sermon, encouraging one another to live out what they've heard.

## ***Next Steps: Doug Haarer // CC 106***

This class discusses the sermon each Sunday with a focus on applying the message personally. Time is mainly spent in conversation together rather than having someone teach. Joining this class reminds you of the importance of not only hearing the word, but doing what it says also.

## ***Scripture: Kent Eby // CC 103, 104***

This class will finish its study of 1 Corinthians during May. For June and July we will be walking through the book of Ruth based on a study developed by Dr. Sandra Richter. The format of the study is designed so that those who have completed the six weekly lessons will feel comfortable facilitating the same study in their homes as part of an outreach Bible study to which we can invite friends and acquaintances.
