The Brenneman Kindergarten is now accepting enrollments for this upcoming school year, 2019-2020. We currently have four students enrolled, but we need to have 7 for the school year to go forward. Would you please share this information with your family and friends and we also ask that you pray with us for these students to come forward. It could be their first encounter with people who love Jesus!

Brenneman Family,

"Thank you to everyone at BMMC who contributed to my summer internship with TWR! God has already provided me with my full support amount. I will be serving in North Carolina for 2 months in TWR's Hispanic ministries department, creating social media content in Spanish. I am blessed to be a part of a church family that so generously supports outreach. I would appreciate your prayers for me as I go and while I'm there. Thank you!"

Best,
Liz Rieth, daughter of Bill and Karla Rieth
